

CTE Liaison to Las Positas College Academic Senate

The CTE Faculty liaison to the LPC Academic Senate will:

1. sign up for the ASCCC CTE listserv--CTEFaculty@listserv.cccnext.net;
2. communicate with the local senate, local campus CTE faculty, and noncredit faculty regarding statewide CTE conversations relevant to his/her college;
3. attend the TriValley Educational Collaborative, which meets every other month for 2 hours on Thursday mornings (usually 1st and/or 3rd);
4. collaborate with the LPC Career Technical Education Project Manager;
5. attend local senate meetings and report as needed about statewide issues of concern in CTE.

CTE Liaison Expectations

In collaboration with the LPC Career Technical Education Project manager:

- Help facilitate local and regional CTE discussions in collaboration with the Career Technical Education Project Manager.
- Help identify CTE issues of concern locally or regionally in collaboration with the Career Technical Education Project Manager.
- Help communicate opportunities for CTE faculty to participate in CTE related statewide initiatives, workgroups, committees and taskforces to ensure that CTE interests are represented
- Help communicate the Board of Governors Task Force on Workforce, Job Creation, and a Strong Economy recommendations and participate in conversations to implement system-wide policies and practices that may significantly affect career technical education programs
- Help create a mechanism to communicate with CTE faculty on your campus around issues of common concern
- Serve as a conduit between the local CTE faculty and the CTE Leadership Committee representatives in your area
- Help identify CTE faculty at your college and in your region to serve locally and statewide on committees and taskforces
- As funding permits, attend state-level events (CCCCAOE, ASCCC)

Must be full-time faculty in any discipline, including those that aren't traditionally considered CTE.

Since extra work is required of the liaison, the CTE Liaison will be paid for up to six hours of work per month during the academic year at a non-instructional F-Rate assignment (\$46.97/hour).
