

Whereas, Las Positas College has many formal and informal processes;

Whereas, clear, transparent, and fairly developed and applied processes are required by the California Education Code and by accrediting commissions;

Whereas, clear, transparent, and fairly developed and applied processes are essential to the integrity of the colleges, the district, and each group, committee, administrative area, and task force in the district;

Whereas, clear, transparent, and fairly developed and applied processes act as a safeguard from arbitrary decision making;

Whereas, clear, transparent, and fairly developed and applied processes help to promote and to ensure transparency to build support for decisions;

Resolved, that the Academic Senate of Las Positas College reaffirms its commitment to clear, transparent, and fairly developed and applied processes;

Resolved, that as college faculty, we value such processes and view them as vital to informed decisions;

Resolved, that as college faculty, we encourage all committees, groups, administrative areas, and task forces in the district to develop, adopt, and apply clear, transparent, and fair processes;

Resolved, all committees, groups, administrative areas, and task forces should make decisions using clear, transparent, and fairly developed and applied processes.
