WORDS FOR OUR CLASSIFIED SENATE PRESIDENT

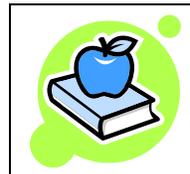

Frances DeNisco

Wow! Didn't the Fall just fly by! We did so much, just look at this great newsletter! I am excited to be moving into a new era for Las Positas College, with a new President, the opportunity to create new spaces on campus, support new sporting teams, and support our students through work on accreditation. We have some great upcoming events! I am looking forward to the publication of the LPC Cookbook, and to our Spring Staff Development day! But there is also a lot of work ahead, and things may look grim due to statewide budget problems again.

Thank you to all our new senators, and everyone who has helped out so far this year! Your support of your colleagues is impressive. I look forward to a productive Spring semester! *Frances*

FALL 07 CLASSIFIED FLEX DAY

Our Classified flex day was held October 26, 2007 from 8:30 to 4:30 at Las Positas campus. Our theme was Halloween, starting our day with a Creepy Continental Breakfast of Eye of Newt and Hair of Toad....Buffet Style. Our morning discussion was a Fright Fest Focus Group with open discussion which included questions about what the Classified Senate is all about, why people need to stay involved and what the Senate has done over the past years. Past Interim LPC President Krativil gave words of encouragement, shared information and helped frame open lines of communication to keep the dialogue going.

We then moved into a workshop entitled "The terror of Committee Work". Our guest speaker Linda Kelson came from Delta College Classified Senate. Linda is a classified leader who has been very active with the Classified Senate at her campus for a number of years. Linda shared techniques on how to be an effective committee member, how other classified senates work and the types of problems classified senates through out California are confronted with.

Just before lunch, ZUK Financial Group presented "Unlocking the Power of CALPERS." The workshop shared information about retirement plans.

After Lunch we met with the "Blue Star MOMS" and learned how to make a care package for our troops serving overseas. We wrote postcards and learned a lot about the families of individuals who are serving on active duty and stationed in hostile environments.

We then moved into our afternoon activity which included:

POETS CORNER

HOW TO STAY YOUNG

1. Throw out nonessential numbers. This includes age, weight and height. Let the doctors worry about them. That is why you pay "them."
2. Keep only cheerful friends. The grouches pull you down.
3. Keep learning. Learn more about the computer, crafts, gardening, whatever. Never let the brain idle. "An idle mind is the devil's workshop" and the devil's name is Alzheimer's.
4. Enjoy the simple things.
5. Laugh often, long and loud. Laugh until you gasp for breath.
6. The tears happen. Endure, grieve, and move on. The only person, who is with us our entire life, is ourselves. Be ALIVE while you are alive.
7. Surround yourself with what you love, whether it's family, pets, keepsakes, music, plants, hobbies, whatever. Your home is your refuge.
8. Cherish your health: If it is good, preserve it. If it is unstable, improve it. If it is beyond what you can improve, get help.
9. Don't take guilt trips. Take a trip to the mall, even to the next county; to a foreign country but NOT to where the guilt is.
10. Tell the people you love that you love them, at every opportunity.

AND ALWAYS REMEMBER:

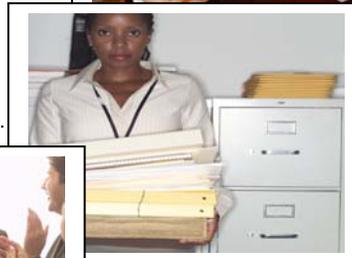

Life is not measured by the number of breaths we take, but by the moments that take our breath away.

George Carlin

Take a deep breath.....

*Life experiences may not be as we want them
And they may cause us a lot of pain,
But
If we follow the process,
If something is broken we can fix it....,
If it's not broken but it no longer works,
Then we find the opportunity to recommend change...
If we missed some critical information,
Then we are educated and we learn to educate others.....
In-turn restoring our faith in the system.*
